

Spray Texture System

Concrete Solutions® Spray Texture System is a decorative, slip-resistant finish that can be applied over existing concrete surfaces. It can be color coated to provide a durable, fade-resistant finish and will revitalize deteriorated concrete in residential and commercial areas such as pool decks, driveways, walkways, patios and more. Spray Texture can also be applied on vertical surfaces such as steps, curbs and seating walls.

- Adds slip resistance
- Excellent bonding strength
- Long lasting durability
- Strong abrasion resistance
- Bonds to concrete, asphalt, wood, metal, tile and linoleum
- Can be pigmented and/or color sealed
- Can be easily enhanced with 1/8" decorative stamping border
