

NEW PRODUCT RELEASE

DIY Rhino™ Epoxy Floor Coating

Expand into the Do-It-Yourself Market!

Expand into the DIY market by offering our environmentally friendly DIY kits in your showroom or by your sales register. The DIY kits will be made available to the public for **\$89.97 (MSRP)**, but are available to you at a lower price because you are an authorized Rhino Linings retailer.

This kit comes in three color choices: Mountain Pass, Mineral Wash and Outback. Enough product to coat a one car garage floor, the kit includes: 1/2 gallon each of resin and hardener, color chips, citric acid concentrate, stir stick, instructions and MSDS information.

YOUR PRICE
\$55.97

FEATURES & BENEFITS:

- Easy to use, one coat, semi-gloss epoxy
- Protects against wear and tear, scuffs and gasoline/oil stains
- Resists hot tire peel
- Easy to clean flooring
- Showroom quality appearance
